

# POLLINATOR HABITATS

## FUTURE POLLINATOR HABITAT LOCATIONS

1. STEPHEN ROSS PARK (POLLINATOR LAB LOCATION)
2. SEASIDE LIBRARY
3. BOYS AND GIRLS CLUB

4. LINCOLN-CUNNINGHAM
5. LESLIE PARK
6. BETA PARK

7. CAPRA PARK
8. DURANT PARK
9. FARALLONES PARK

**Seaside became a Bee City USA affiliate this past year to support all pollinators, not just bees. The Seaside Environmental Committee was selected to receive 1,600 plugs of native plants for Monarch habitats. Below are the species that will be planted by community stewards.**

**Please be in touch if you want to become a pollinator habitat steward.**

**CALIFORNIA GOLDENROD**

*solidago velutina*

**VERVAIN**

*verbena lasiostachys*

**CALIFORNIA ASTER**

*symphyotrichum chilense*

**BLACK SAGE**

*salvia mellifera*
