LETTER FROM THE DIRECTOR - 1

Please Note:

All dates and times in this activity guide are subject to change.

Thank you for your understanding.

FROM THE DIRECTOR:

Greetings Seaside,

As we approach the winter and spring seasons, we enter a time when the weather outside can transition from being frightful or delightful depending on the day and time here on the beautiful Central Coast. However, regardless of the weather outside I see exciting times ahead for the next few months.

The activities in the winter tend to transition from outside to inside, but we all know we will have our fair share of sunshine during the winter. You can spend the sun-filled days enjoying our newly renovated Wheeler Street tennis courts with the addition of four NEW Pickleball courts. On the other hand, you can get the little ones outside for our popular mini-athletes programs, or the PAL soccer league. If exercise is your jam, then come to our FREE Older Adult Fitness sessions Monday and Wednesday Mornings at Oldemeyer!

Do not let the winter blues tempt you stay indoors all winter. Instead, be active and bring your own sunshine to one of our Parks, or Recreation programs. We love to see all of you at our facilities and at all of our wonderful events that the City has to offer. I would also like to invite you to find a little fun by participating in our programs or events offered in this activity guide. Let's embrace the seasons, get out, and recreate!

Yours in Recreation,

Dan Meewis
Recreation Director

4 - ADA

City of Seaside Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 Complaint and Grievance Procedure

This Complaint and Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. It may be used by anyone who wishes to file a complaint or grievance alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the City. The City's Personnel Policy governs employment-related complaints of disability discrimination.

The City wants to hear concerns and complaints from citizens in order to provide accessible programs, services, and activities. A member of the public can contact the City with a comment, concern, or complaint without filing a formal grievance. A formal grievance can be filed by completing the City's Grievance Form.

It is preferred that the formal grievance be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request. If additional accommodations are needed, please contact the ADA Coordinator. The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

**Manny Gonzalez
ADA Coordinator
440 Harcourt Avenue, Seaside, CA 93955
mgonzalez@ci.seaside.ca.us
831-899-6821
California Relay Service: dial 711**

Within 30 calendar days after receipt of the complaint, the ADA Coordinator, or her designee, will meet with the complainant to discuss the complaint and the possible resolutions. Within 30 calendar days of the meeting the ADA Coordinator or her designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio tape. The response will explain the position of the City and offer options for substantive resolution of the complaint. If the response by the ADA Coordinator or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 30 calendar days after receipt of the response to the City Manager.

Within 30 calendar days after receipt of the appeal, the City Manager or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 30 calendar days after the meeting, the City Manager or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator or their designee, appeals to the City Manager or his/her designee, and responses from these two offices will be retained by the City for at least three years.

14 - POOL WAIT LIST OVERVIEW

The wait list is used to fill classes after the assessment swim test (or after those who have paid have been tested), usually held on the Wednesday BEFORE the lessons are set to begin. (Note: It is recommended that waiting list participants call 831-899-6801 after 6pm to get the status or likelihood of being pulled if they don't attend the test or know the level of their swimmer.)

It is required for wait list enrollments to attend the swim test date. If they don't get tested, management doesn't know the level to place them and it lowers the possibility of being pulled.

The wait list position is irrelevant. Swimmers are pulled from the list based on opening surrounding swimmers and what is available after assessment testing: ages of class with opening, level that has space to fill, time of lesson, and swimmers availability based on the time listed.

If participants have not had swimming lessons with us in the past 3 months or more, it is recommended they be re-tested.

Due to high demand, if families are called but don't answer, management will move on to the next number until the spot is filled. Messages are only left if swimmer's age/level are the only fit for the opening. If a sibling makes it on the active roster but the other makes it on the waiting list they become a priority on the wait list.

Swim Levels can be updated/looked up on RecTrac under "Household Management" by looking at "Family Members" to find "Features"

We do not offer a make up for the assessment test. If you are unable to make the assessment test please contact the front desk and give a verbal account on swimmer's ability. Based on info collected, management will update their profile on RecTrac to reflect estimated level. Once they come in to their class, the instructor can adapt to place them with the best effective class.
