LETTER FROM THE DIRECTOR - 1

Please Note:

All dates and times in this activity guide are subject to change.

Thank you for your understanding.

FROM THE DIRECTOR:

Greetings Seaside,

I am excited to share with you our Winter/Spring Recreation Activity Guide, filled with opportunities to stay active, connect with neighbors, and enjoy all that Seaside has to offer. Each season, our Recreation Services team works hard to create programs that reflect the spirit and diversity of our community and this guide is your invitation to join in.

This winter and spring, we are proud to continue some of our most beloved programs. Our Mini Athletes program gives young children the chance to learn the fundamentals of soccer and basketball in a fun, supportive environment. At the same time, our Girls on the Run and Heart & Sole programs continue to empower youth through fitness, teamwork, and confidence-building activities. For adults, we're offering recreational sports leagues such as our new Adult Baseball leagues and fitness classes that encourage healthy lifestyles and new friendships.

We also invite you to explore Seaside's beautiful parks and outdoor spaces — from family gatherings at Soper and Laguna Grande BBQ's areas, to soccer and baseball at Cutino Park, to the natural beauty of Laguna Grande and Roberts Lake. These public spaces are the heart of our community, and we are proud to keep them active and welcoming for all. Seasonal events like our Winter Wonderland & Golden Egg Hunt, youth programs, and family activities round out the guide, creating opportunities to make memories together. Whether you are trying something new, returning to a favorite program, or simply looking for a way to spend time with friends and family, there is something here for everyone.

I want to extend my gratitude to our dedicated staff, coaches, and volunteers who make these programs possible, as well as to you, the residents of Seaside! For your ongoing support and participation. Together, we are building a stronger, healthier, and more connected community.

We look forward to seeing you at our programs, parks, and events this season!

Yours in Recreation!

Dan Meewis
Assistant City Manager

4 - ADA

City of Seaside Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 Complaint and Grievance Procedure

This Complaint and Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. It may be used by anyone who wishes to file a complaint or grievance alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the City. The City's Personnel Policy governs employment-related complaints of disability discrimination.

The City wants to hear concerns and complaints from citizens in order to provide accessible programs, services, and activities. A member of the public can contact the City with a comment, concern, or complaint without filing a formal grievance. A formal grievance can be filed by completing the City's Grievance Form.

It is preferred that the formal grievance be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request. If additional accommodations are needed, please contact the ADA Coordinator. The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

Building Department
440 Harcourt Avenue, Seaside, CA 93955
BOfficial@ci.seaside.ca.us
831-899-6729
California Relay Service: dial 711

Within 30 calendar days after receipt of the complaint, the ADA Coordinator, or her designee, will meet with the complainant to discuss the complaint and the possible resolutions. Within 30 calendar days of the meeting the ADA Coordinator or her designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio tape. The response will explain the position of the City and offer options for substantive resolution of the complaint. If the response by the ADA Coordinator or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 30 calendar days after receipt of the response to the City Manager.

Within 30 calendar days after receipt of the appeal, the City Manager or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 30 calendar days after the meeting, the City Manager or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator or their designee, appeals to the City Manager or his/her designee, and responses from these two offices will be retained by the City for at least three years.

14 - POOL WAIT LIST OVERVIEW

The wait list is used to fill classes after the assessment swim test (or after those who have paid have been tested), usually held on the Wednesday BEFORE the lessons are set to begin. (Note: It is recommended that waiting list participants call 831-899-6801 after 6pm to get the status or likelihood of being pulled if they don't attend the test or know the level of their swimmer.)

It is required for wait list enrollments to attend the swim test date. If they don't get tested, management doesn't know the level to place them and it lowers the possibility of being pulled.

The wait list position is irrelevant. Swimmers are pulled from the list based on opening surrounding swimmers and what is available after assessment testing: ages of class with opening, level that has space to fill, time of lesson, and swimmers availability based on the time listed.

If participants have not had swimming lessons with us in the past 3 months or more, it is recommended they be re-tested.

Due to high demand, if families are called but don't answer, management will move on to the next number until the spot is filled. Messages are only left if swimmer's age/level are the only fit for the opening. If a sibling makes it on the active roster but the other makes it on the waiting list they become a priority on the wait list.

We do not offer a make up for the assessment test. If you are unable to make the assessment test please contact the front desk and give a verbal account on swimmers ability. Based on info collected, management will update their profile on RecTrac to reflect estimated level. Once they come in to their class, the instructor can adapt to place them with the best effective class.
