## FROM THE DIRECTOR:

Greetings Seaside!

As we welcome the summer and look ahead to a vibrant fall season, I'm excited to share our latest Activity Guide filled with programs, events, and opportunities designed to bring our community together. From youth & adult sports, summer camps, enrichment classes, older adult programs and special events, there truly is something for everyone.

This year is especially meaningful as we celebrate two major milestones in our community and our nation.

First, I encourage you all to join us as we celebrate the City of Seaside's Red, White, and Blues 4th of July event which will be commemorating the 250th anniversary of our nation. This patriotic celebration will feature live entertainment, family-friendly activities, and a shared opportunity to reflect on our history while celebrating the vibrant community we are today. It's a special time to come together in pride, gratitude, and unity.

We also hope you all will join us as we host the 40th Anniversary of Sunday Blues in the Park concert series. For four decades, this beloved tradition has brought friends and families together through live music, community spirit, and summer fun in the park. Whether you've attended for years or it will be your first time, this anniversary season promises to be one to remember.

The recreation department is proud to provide programs and events that strengthen connections, promote wellness, and create lasting memories. I encourage you to explore the guide, try something new, and most importantly, participate. Your involvement is what makes our community thrive.

We look forward to seeing you in our parks, facilities, programs, and celebrations throughout the summer and fall.

Yours in Recreation,

Dan Meewis  
Assistant City Manager – Community Services

## City of Seaside Americans with Disabilities Act and Section 504 of the Rehabilitation Act of 1973 Complaint and Grievance Procedure

This Complaint and Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act of 1990 (ADA) and Section 504 of the Rehabilitation Act of 1973. It may be used by anyone who wishes to file a complaint or grievance alleging discrimination on the basis of disability in the provision of services, activities, programs, or benefits by the City. The City's Personnel Policy governs employment-related complaints of disability discrimination.

The City wants to hear concerns and complaints from citizens in order to provide accessible programs, services, and activities. A member of the public can contact the City with a comment, concern, or complaint without filing a formal grievance. A formal grievance can be filed by completing the City's Grievance Form.

It is preferred that the formal grievance be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interviews or a tape recording of the complaint, will be made available for persons with disabilities upon request. If additional accommodations are needed, please contact the ADA Coordinator. The complaint should be submitted by the grievant and/or his/her designee as soon as possible but no later than 60 calendar days after the alleged violation to:

**Building Department**  
**440 Harcourt Avenue, Seaside, CA 93955**  
**[BOfficial@ci.seaside.ca.us](mailto:BOfficial@ci.seaside.ca.us)**  
**831-899-6729**  
**California Relay Service: dial 711**

Within 30 calendar days after receipt of the complaint, the ADA Coordinator, or her designee, will meet with the complainant to discuss the complaint and the possible resolutions. Within 30 calendar days of the meeting the ADA Coordinator or her designee will respond in writing, and where appropriate, in a format accessible to the complainant, such as large print, braille, or audio tape. The response will explain the position of the City and offer options for substantive resolution of the complaint. If the response by the ADA Coordinator or her designee does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision within 30 calendar days after receipt of the response to the City Manager.

Within 30 calendar days after receipt of the appeal, the City Manager or his/her designee will meet with the complainant to discuss the complaint and possible resolutions. Within 30 calendar days after the meeting, the City Manager or his/her designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Coordinator or her designee, appeals to the City Manager or his/her designee, and responses from these two offices will be retained by the City for at least three years.

# 16 - SWIM LESSONS

## WAIT LIST OVERVIEW

The wait list is used to fill classes after the assessment swim test (or after those who have paid have been tested), usually held on the Wednesday BEFORE the lessons are set to begin. (Note: It's recommended that waiting list participants call 831-899-6819 after 6pm to get the status or likelihood of being pulled if they don't attend the test or know the level of their swimmer.)

It is required for waitlist enrollments to attend the swim test date. If they don't get tested, management doesn't know the level to place them and it lowers the possibility of being selected from the waitlist.

The wait list position is irrelevant. Swimmers are selected from the list based on opening surrounding swimmers and what is available after assessment testing: ages of class with opening, level that has space to fill, time of lesson, and swimmers' availability based on the time listed.

If participants have not had swimming lessons with us in the past 3 months or more, it is recommended they be re-tested.

Due to high demand, if families are called but don't answer, management will move on to the next number until the spot is filled. Messages are only left if swimmer's age/level are the only fit for the opening. If a sibling makes it on the active roster but the other makes it on the waiting list they become a priority on the wait list.

We do not offer a make up for the assessment test. If you are unable to make the assessment test please contact the front desk and give a verbal account on swimmers ability. Based on info collected, management will update their profile on RecTrac to reflect estimated level. Once they come in to their class, the instructor can adapt to place them with the best effective class.

Kids Club is a supervised after school program held at the Oldemeyer Center located at 986 Hilby Avenue in Seaside. While in the program, children receive active homework help from staff and participate in daily indoor and outdoor structured games. Children also have everyday “free time” to explore their current interests. Whether it’s basketball, painting, bracelet-making, or building with Legos, our staff are eager to assist in many ways. We also offer special themed months and projects throughout the school year. Kids Club follows the MPUSD fall, winter, and spring schedule. On MPUSD early dismissal days, Kids Club will be open early. On MPUSD recognized holidays, Kids Club will be closed.
