The Owner acknowledges that it may have suffered, or may suffer, damages and other injuries that are unknown to it, or unknowable to it, at the time of execution of this Agreement. 7.6 Attorneys' Fees and Costs. In any action or proceeding between the City and the Owner brought to interpret or enforce this Agreement, or which in any way arises out of the existence of this Agreement or is based upon any term or provision contained herein, the “prevailing party” in such action or proceeding shall be entitled to recover from the non-prevailing party, in addition to all other relief to which the prevailing party may be entitled pursuant to this Agreement, the prevailing party’s reasonable attorneys’ fees and litigation costs, in an amount to be determined by the court. The prevailing party shall be determined by the court in accordance with California Code of Civil Procedure Section 1032. Fees and costs recoverable pursuant to this Section 8.5 include those incurred during any appeal from an underlying judgment and in the enforcement of any judgment rendered in any such action or proceeding. The

parties agree that each contributed to the drafting of this Agreement, and that neither party is responsible for its drafting in determining whether any ambiguities exist as a result of drafting. Ambiguities shall not automatically be ruled against either party.

ARTICLE 8. THIRD PARTY LITIGATION.

8.1 General Plan Litigation. The City has determined that this Agreement is consistent with its General Plan. The Owner has reviewed the General Plan and concurs with the City's determination.

8.1 Hold Harmless Agreement. Owner hereby agrees to, and shall hold City, its elective and appointive boards, commissions, officers, agents, and employees harmless from any liability for damage or claims for damage for personal injury, including death, as well as from claims for property damage which may arise from Owner or Owner's contractors, subcontractors, agents, or employees operations under this Agreement, whether such operations be by Owner, or by any of Owner's contractors, subcontractors, agents, or employees operations under this Agreement, whether such operations be by Owner, or by any of Owner's contractors, subcontractors, or by any one or more persons directly or indirectly employed by, or acting as agent for Owner or any of Owner's contractors or subcontractors. Owner agrees to and shall defend City and its elective and appointive boards, commissions, officers, agents and employees from any suits or actions at law or in equity for damage caused, or alleged to have been caused, by reason of any of the aforesaid operations.

8.2 Indemnification. Owner shall defend, indemnify and hold harmless City and its agents, officers and employees against and from any and all liabilities, demands, claims, actions or proceedings and costs and expenses incidental thereto (including costs of defense, settlement and reasonable attorneys' fees), which any or all of them may suffer, incur, be responsible for or pay out as a result of or in connection with any challenge to the legality, validity or adequacy of any of the following: (i) this Agreement and the concurrent and subsequent permits, licenses and entitlements approved for the Project or Property; (ii) the environmental impact report, mitigated negative declaration or negative declaration, as the case may be, prepared in connection with the development of the Property; and (iii) the proceedings undertaken in connection with the adoption or approval of any of the above. In the event of any legal or equitable action or other proceeding instituted by any third party (including a governmental entity or official) challenging the validity of any provision of this Agreement or any portion thereof as set forth herein, the parties shall mutually cooperate with each other in defense of said action or proceeding. Notwithstanding the above, the City, at its sole option, may tender the complete defense of any third party challenge as described herein. In the event the City elects to contract with special counsel to provide for such a defense, the City

shall meet and confer with Owner regarding the selection of counsel, and Owner shall pay all costs related to retention of such counsel.

8.3 Accept Reasonable Good Faith Settlement. With respect to Article 10, the City shall not reject any reasonable good faith settlement. If the City does reject a reasonable, good faith settlement that is acceptable to the Owner, the Owner may enter into a settlement of the action, as it relates to the Owner, and the City shall thereafter defend such action (including appeals) at its own cost and be solely responsible for any judgments rendered in connection with such action. This Section 9.3 applies exclusively to settlements pertaining to monetary damages or damages which are remedial by the payment of monetary compensation. The Owner and the City expressly agree that this Section 10.6 does not apply to any settlement that requires an exercise of the City's police powers, limits the City's exercise of its police powers, or affects the conduct of the City's municipal operations.

9.2 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement. The foregoing notwithstanding, the provision of the public benefits set forth in Article 4, including the payment of the fees set forth therein, are essential elements of this Agreement and the City would not have entered into this Agreement but for such provisions, and therefore in the event that any portion of such provisions are determined to be invalid, void or unenforceable, at the City's option this entire Agreement shall terminate and from that point on be null and void and of no force and effect whatsoever.

9.7 Waiver. Failure by a party to insist upon the strict performance of any of the provisions of this Agreement by the other party, or the failure by a party to exercise its rights upon the default of the other party, shall not constitute a waiver of such party's right to insist and demand strict compliance by the other party with the terms of this Agreement thereafter.

9.8 No Third Party Beneficiaries. The only parties to this Agreement are Owner and the City. This Agreement is made and entered into for the sole protection and benefit of the parties and their successors and assigns. If for any reason service of such process upon such agent is not feasible, then in such event the Owner may be personally served with such process out of this County and such service shall constitute valid service upon the Owner. The Owner is amenable to the process so described, submits to the jurisdiction of the Court so obtained, and waives any and all objections and protests thereto.

COMMUNITY BENEFIT PLAN

Our team firmly believes that a business' success is not solely measured by the revenue it generates—rather, a successful business is one that recognizes its role as a vital member of the community, and continually strives to make a positive impact on its constituents. Therefore, we are committed to taking several measures to abide by this core principle.

First, we intend to positively impact our local economy by placing preference on hiring qualified Seaside applicants. We are also committed to placing preference on Seaside vendors when acquiring goods and services for our operation.

Additional efforts to help bolster our local economy will consist of coordination and assistance in the marketing and promotion of the West Broadway Urban Village. Once rejuvenation work is complete on Broadway, we envision an annual music festival that we would plan, coordinate, and market modeled similarly to Sand City's West End Celebration.

We also intend to contribute both financially as well as through volunteer efforts to events and organizations benefiting the community including the annual Seaside Blues In The Park, as well as the Seaside Boys and Girls Club and Community Partnership For Youth. As stated in our business plan, Darryl Choates has a long history of contributing to these and other community organizations and we intend to contribute no less than 5% of gross revenues from the dispensary to worthy organizations.

Finally, we intend to address the opiate epidemic that has ravaged the country. Many of us have been affected by this tragedy, including members of our team who have lost loved ones to opiate addiction. There is research from Harvard University that suggests cannabis could be used as an effective means to wean an addict from opiates. This is a phenomenon that members of our team have witnessed. That is why we propose to offer a deep discount to opiate addicts whom are able to provide proof of rehab participation or a note from a physician. The veteran community is deeply impacted by the opiate crisis as well, in addition to PTSD effects obtained from serving in battle. Therefore, veterans will receive the same unprecedented discount offered to opiate addicts. The same compassion will be extended to terminally ill patients who stand to benefit from the medicinal properties of cannabis.
